

**Special Meeting
Bicycle & Pedestrian Committee
Wednesday, September 21, 2016
Commission Room, Town Hall, 12:30
The Regular Meeting of 9/14 is Cancelled**

I. Opening Business.

I.1 Chair's remarks.

I.2 My apologies for improper notice of meeting cancellation & Special meeting time/place.

II. Events & Programs.

II.1 Notes on fall hikes.

III. Other Issues.

III.1 We frequently have great ideas but make little progress. I am concerned about how we can move forward. Because of this I would like to devote most of today's meeting in a free-ranging discussion of our objectives and how we can achieve them.

(Because we may discuss items that should be private to our board we may wish to go into an executive session. Such a session is to be held private by those attending.)
